

Singapore Youth Olympic Games

Singapore will be hosting the first Youth Olympic Games from 14 to 26 August 2010. It will receive some 3,600 athletes and 800 officials from 205 National Olympic Committees, along with estimated 800 media representatives, 20,000 local and international volunteers, and more than 500,000 spectators. Young athletes - between 14 and 18 years of age - will compete in 26 sports and take part in Culture and Education Programme.

The Singapore 2010 Youth Olympic Games will create a lasting sports, culture and education legacy for Singapore and youths from around the world, as well as enhance and elevate the sporting culture locally and regionally.

In collaboration with the Singapore Youth Olympic Games Organizing Committee (SYOGOC), Canberra Secondary School (CSS) is organising the National Schools Photo-Art Competition 2009.

The theme 'Youth In Action' which captures youth engaged in various activities (not necessarily limited to sport) was chosen for this year's competition in celebration of the Youth Olympic Games and Olympic Education.

We would like to invite your pupils to participate in this photo-art competition.

The objectives of this competition and exhibition are to:

- provide opportunities for our youths to be engaged in the Olympic Movement, Youth Olympic Games and Olympic Education;
- provide a platform to showcase our youths actively participating in outdoor activities, community involvement projects, diverse cultures and sports; and
- provide a platform to raise the visibility of aspiring young photography and creative graphic talents.
